**Ringers for weddings in the Chipping Norton Benefice**

*There are several weddings taking place over the next few months, mainly at Kingham, and it is very 'challenging' trying to arrange bands for these, especially when there are two or more on the same day timed close together. I would like to hear from any ringers who might be interested in helping out from time to time, provided they were not committed elsewhere, so as to make this task a little easier. If you might be able to help occasionally, please email or phone me. Thank you. Chris*
