

Obituary

Last month we heard the sad news of the death of Michael Collett on Friday 11th October. Michael was an honorary member of the ODG, having first learnt to ring at Burford over 70 years ago with his brother John. In recent years, Michael had lived at Cheltenham, where he continued to be an active ringer until prevented by illness. His cremation took place at Cheltenham on Tuesday 29th October. Our condolences have been sent to his family.

Branch officers' posts

At the 2019 AGM, it was suggested that nominations for these posts should be sent to the Secretary by mid-January. It is hoped that forthcoming vacancies will be notified by the first branch practice of the year so that members may be informed.

It is noted that not all members have email access so they are not able to use this method for nominations. It is hoped that proposers would be present at the AGM.

Nominations may be made at the AGM.
